Mr. Salyers

Mr. Salyers, we the students of Rosemead High School are happy and honored to bid you welcome to Rosemead as our principal. Your presence at all our games as well as other co-curricular activities has truly demonstrated your interest in all phases of our development. We have appreciated your interest in us and your sincere desire to be a friend and to help us as you have. We sincerely hope that you will be with us for many years to come.

Best of luck
to a very sweet
girl. I have enjoyed
knowing you and
having you in my
typing class. Your friend

Our school as it was in 1949.

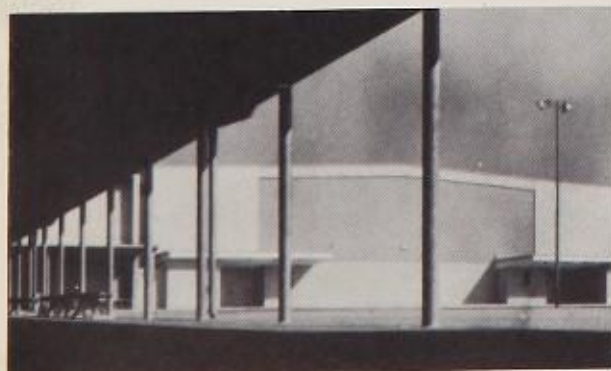

In 1950 Rosemead obtained a music building.

1951 a patio.

A parking lot in 1952.

Rosemead's own gym in 1953 has given us a place to hold many activities.

The barbecue has been the scene of many happy events. It was added in 1954.

The newest addition in our seven forward moving years is the swimming pool.

Mormon

Hi

Having successfully brought our school through its seventh year, we, the students of Rosemead High, should take a few moments to look back at the progress we have made.

Seven years ago the young people of Rosemead found it necessary to go out of their community for a secondary education, but in 1949, after years of tireless effort on the part of many civic leaders, Rosemead High was officially opened and we had our own local high school. The administration, the faculty, and especially the students invested a great amount of pride and school spirit in this group of buildings; and it is that pride and spirit which have transformed the structure into a living being. Those students came upon problems concerning school colors, a mascot, the Associated Student Body Constitution, and many customs and traditions which were to live through the years. In the next several years the students of Rosemead were confronted with other great obstacles, but neither their diligence nor their perseverance was lacking as they kept moving forward with unending spirit.

A fire such as the one that keeps the spirit of Rosemead burning is not easily extinguished, and during the past seven years it has been that fire that kept us moving steadily in one direction—forward. In years to come that same fire will aid students in the continuation of Rosemead's forward movement.

It is with all this in mind that we, the 1956 Pantherama staff, have selected our theme —
MOVING FORWARD.

Foreword

You, Mr. Joseph Herrell, have in no small degree demonstrated tireless support of the co-curricular activities of Rosemead's student body during the past seven years. Your splendid leadership and patient guidance have so made themselves felt through such agencies as our student government that the entire tone of our school life has consistently been a lofty and beneficial one. The standards you have helped us to set up and to maintain will indeed benefit not only our future lives but Rosemead's classes in years to come.

Therefore, it is with great pleasure and deep-felt gratitude that we hereby dedicate the nineteen hundred and fifty-six edition of the Pantherama to you, our esteemed Director of Student Activities.

Mr. B. L. Bergstrom, District Superintendent

If a school is to move forward in its growth, if it is to meet the ever mounting needs of an ever growing student body, it must have as its administrators men and women endowed with patience and understanding, foresight and initiative, and lofty idealism tempered by down-to-earth realism. We are indeed fortunate to have just such administrators to guide our district and our school: the members of our Board of Trustees; Mr. Bergstrom, our District Superintendent; Mr. Hill, Assistant Superintendent in Charge of Business; Dr. Walquist, Assistant Superintendent in Charge of Instruction; Mr. Salyers, Rosemead's Principal; and Mrs. Irwin, our Girls' Vice-Principal.

The Outstanding Student Service Award, the most coveted honor a Rosemead student can receive, means exactly what it implies: service for the school and the students above and beyond self with many hours of hard work without thought of glory. Indicative of the fact that we are "Moving Forward" is the newly added feature of selecting teachers for the honor.

This annual page is, hereby, dedicated to these students and teachers with appreciation for their many long hours of hard work. Although only a few can be chosen for O.S.S. there are many other deserving students. We wish to thank the O.S.S. recipients and the many other students who have given so unselfishly of their time and talents.

A day in the life of an R. H. S. Student

Please, let me sleep for
fifteen more minutes!

Strategic conference.

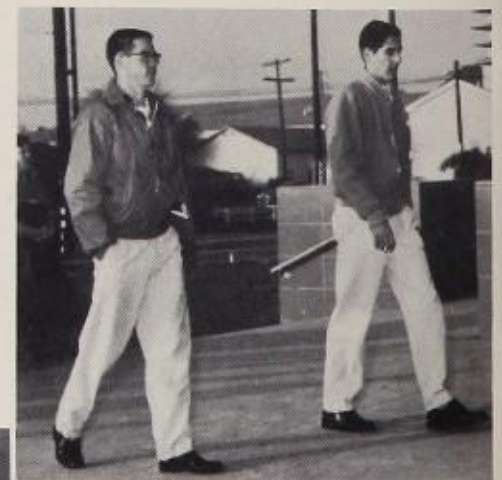

How's that for a fancy composition?

'Bout time for the bell.

From class to class, from meeting to meetings, the RHS student is always on the move, barely taking time to catch his breath.

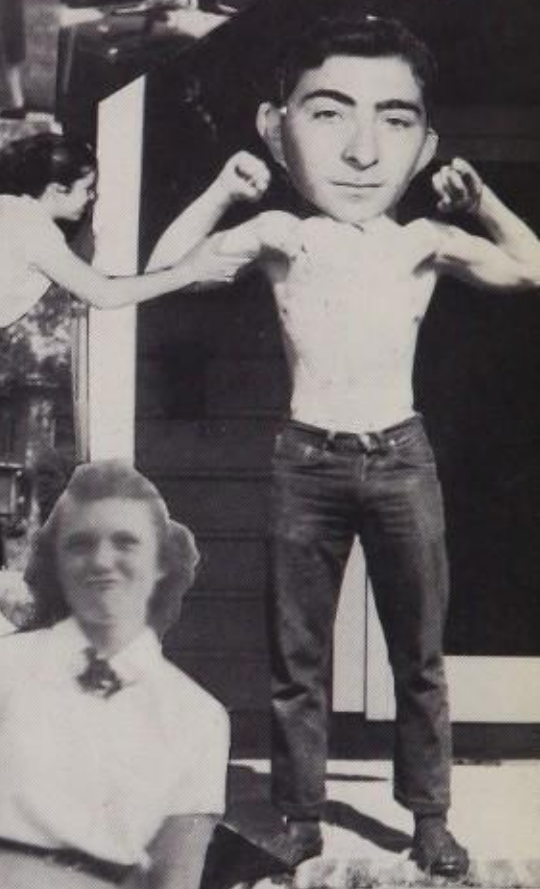

It's only 8:15, still plenty of time.

Don't leave without me!

Hey! didn't you
shortchange me?

Norma
It has been
nice having you
in food. I do wish I
could have known you
better. The best of luck
always

I see Jack's Bryan
(Helen)

Activities

At left the girls of Rosemead High are dancing with their favorite fellows at the "Wishbone Wiggle." This backwards dance was sponsored by the Girls' League Council November 24 and proved to be a big success.

The climax of the homecoming festivities was the dance in the R.H.S. gym after the El Monte football game. Pictured are some of the Alumni living it up. Queen Marilyn Faught presided over the festivities.

Dances

R.H.S. was once again invited to the Gene Norman Show, and, while they were there they were given the chance to show their various talents. One of the features of the show is pictured above.

The theme of this year's Winter Ball was "Rhapsody in White." Dreamy music, beautiful formals, and gay decorations dominated the scene at the San Marino Women's Club. Betty Massey was crowned Queen as an exciting climax to the dance.

Queen Betty and her escort.

Presenting Queen Betty Massey!

Dear Norma
I'm glad that
we are back on
speaking terms again.
Maybe we can get to-
gether this summer and
do some of the things we
used to do.
Best of luck always.
Behave yourself

Students enjoying a noon dance.

Just a little higher Byerly.

What are they? Why the fighting eleven of RHS faculty. Did you have fun boys?

RHS is a place of activity! Music, dramatics, sports and dances are just a few of the activities enjoyed by the students. High School people need to be kept busy; service clubs and other co-curricular organizations have done a good job by sponsoring many events at RHS.

Home Coming is a very special event at RHS. Pictured are Queen Marilyn Faught and her royal court.

The glories of the stage! Glories?

RHS at the Gene Norman show.

Cupid's couple was Bob Heredia and Judy Horne.

The San Gabriel Women's Club was the scene of Cupid's Holiday, a backwards dance sponsored by the Spinsters and Varsity Club.

The Mexican Shuffle is a dance enjoyed by all.

A feature much enjoyed by the students of RHS was the noon dances. Here they are seen doing the Bunny Hop.

The hero sees the lovely heroine.

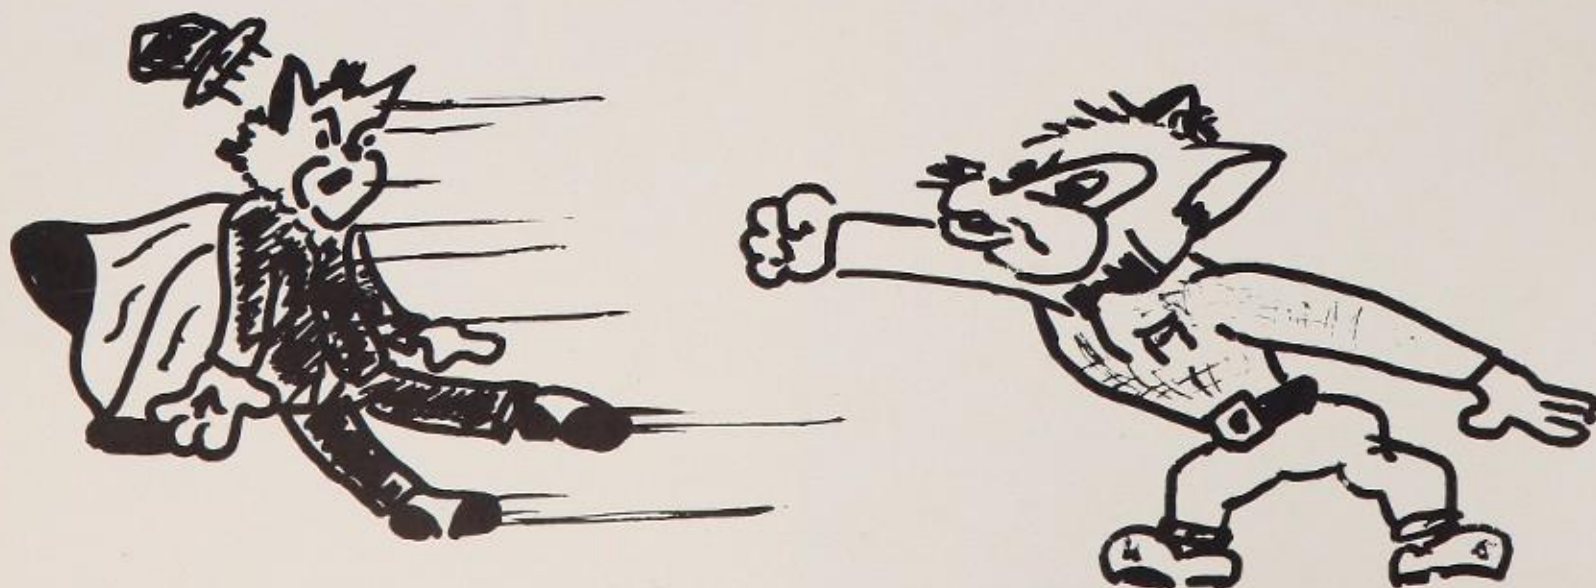

Virtues of the heroine are discussed.

The house of Hiram Abernathy on the None-Such Ranch was the scene of the first old-time melodrama, held at Rosemead High School, during the seventh of its forward moving years. The title of the play, which was put on by the Royal Thespians and National Thespian Society, was "The Curse of an Aching Heart or Trapped in a Spider's Web." Extra attractions included olio acts following an intermission heightened by refreshments. The hero was played by Bob Mackie, the heroine by Lela Rankin, and the villain by Tom Triggs. Other players were Charlene Richards, Janet Woody, Cecil Dover, Joan Klingman, Karen Hather, Bobbie Beaudet, Judy Jackson, and Ralph Greenup.

The villain threatens to tell all!

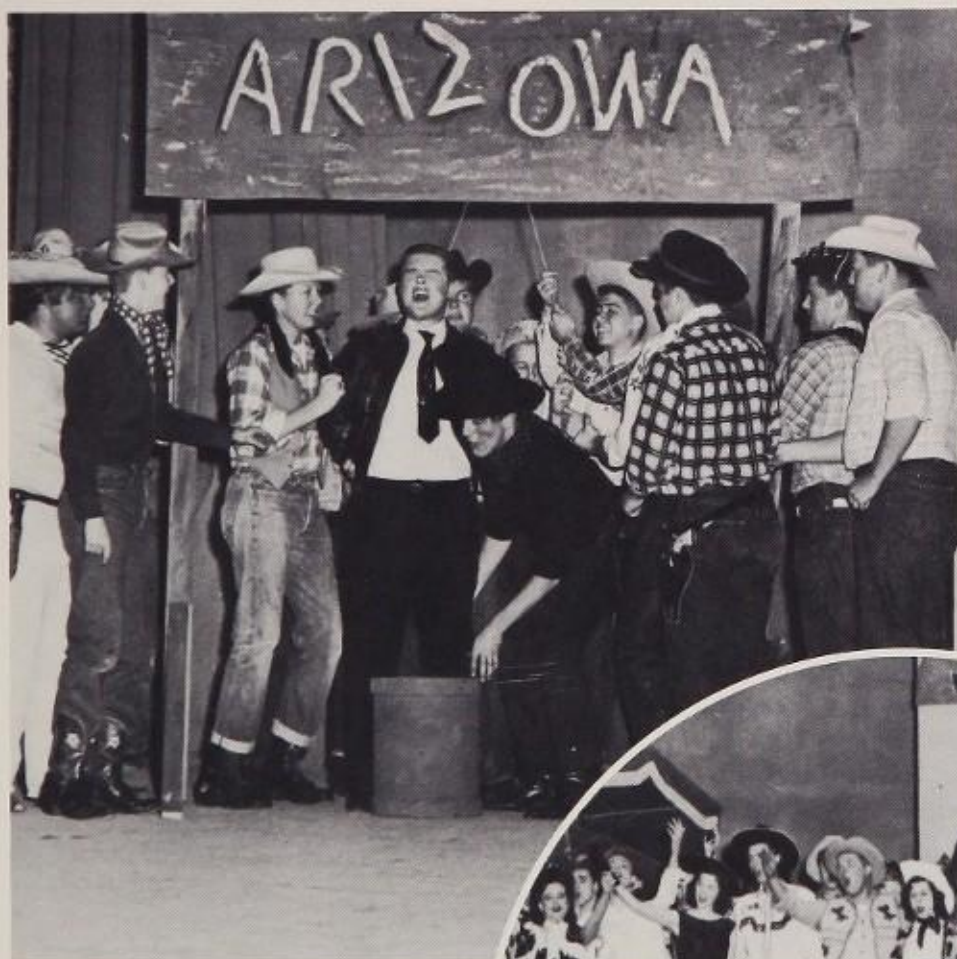

"Better start sayin' your prayers 'cause I'm countin' to three."

Over the border, down Mexico way.

Rosemead's Music and Drama departments were out to prove that the success of last year's musical, **Good News**, was not just a fluke when they produced George Gershwin's **Girl Crazy** in February of this year. After many hours of rehearsal the show with songs such as "Embraceable You," "I Got Rhythm," and "Bidin' My Time" was presented in the District Auditorium. Under the expert direction of Mr. Ernest Mauk and Mr. Clayton Cowan, the main characters, Judy Rose, Ralph Greenup, Tom Triggs, Toni Thorson, and Bob Mackie, and the supporting players, Fred Reif, Frank Hedrick, Alberta Bryant, Judy Jackson, Rosalie Toscano, Cecil Dover, and Lee Van Valkenburgh, put on what was believed to be impossible — a second successful musical comedy.

Geiber has another scrape.

Drama

After many weeks of hard rehearsal the closing night finally came.

Elvira comes back to haunt Charles.

Madame Arcati in a trance.

Harmony prevailed until the presence of Madame Arcati threw the lives of Charles Condomine and his wife into chaos.

Ralph Greenup, outstanding actor.

The things that happen when Johnny Grant comes to RHS.

Judy, Rose, outstanding actress.

Fred Reif, outstanding actor.

Rosemead on the Gene Norman TV show.

Charlene Richards, outstanding actress.

World of Fantasy was the theme of this year's **Variety Show**. The theme was very well carried out with the club's presentation of their acts. The Pantheresses, for the second time in three years, came through with a sparkling act—"The Wedding of the Painted Doll," to win the **Variety Show** trophy.

Baseball

The Varsity Baseball squad, composed of many returning members, looked fair to stand high in the Pacific League as the practice season came to a close and the regular season got under way. The team started out the season by winning all but one of its practice games. The regular season got off to a good start, for the Panthers downed Arcadia with a score of 15 to 7.

Season games to be played after date of publication of this annual are these: Alhambra, Montebello, El Monte, Monrovia, San Gabriel, Whittier, Mark Keppel, Arcadia, Alhambra, El Monte, Monrovia, San Gabriel, Whittier, and Mark Keppel.

Although the Varsity Tennis team got off to a slow start this year, losing all of its practice games, the coach and his men felt confident that Rosemead would end up in about the middle position in the Pacific Coast League standings. Practice games mean little other than indicating where weaknesses exist; surely they are no indications of what the ultimate outcome will be—or, now that the season is over, are there?

Rosemead Alma
 In the heart of our fair valley
 stands our worthy school;
 where Marbon and Grey mean honor
 School of Golden Rule.
 Raise your voices
 Wake the echoes—
 Rosemead values tell
 Hail to thee our Alma Mater
 School we love so well.
